LEADERBOARD - FINAL

Check out the Top 200 and see what your votes made possible!

We asked you to decide what matters and you told us! Browse the Leaderboard and take a look at all the good we did together. Thanks for participating in Chase Community Giving Summer 2010!

Since the Leaderboard was updated twice daily, two or more charities may have had the same number of votes at the end of the program. When this happened, we looked at voting time stamps and ranked charities according to when votes were cast. So the earlier you voted, the higher your favorite charity ranked if several charities had the same final vote count. For more information, see our [FAQs](#).
